

Launching soon
10 days to go

We are excited to invite you to access the Conference Platform! All registered participants now have access to the interactive platform!

10 days to go until more than 1000 registered participants will join the 10th Pacific Islands Conference for Nature Conservation and Protected Areas! Make sure you don't miss out on what will be the largest conference of its kind in the region.

It's not too late to register for free. If you have already registered then be sure to log-on to the interactive platform and have a look around. While there setup your profile and browse the agenda to select your favourite sessions.

The platform is where you will create your attendee profile, access all live sessions and recordings, create a personalized agenda, visit the exhibition booths and interact with other participants.

We have attached a short explainer PDF that will show you how to sign-in to the Conference Portal and select your preferred language.

Once you have read the PDF you can sign-in to your account here:

20+ Exhibition booths
Visit us virtually

  

The advertisement features a background image of people at a virtual conference. On the right side, there is a large, intricate black and white illustration of a beetle with a human-like face and large eyes. The text '20+ Exhibition booths' and 'Visit us virtually' is prominently displayed in the center. At the bottom, three logos are shown: SPREP PROE, Roundtable Pacific Islands Roundtable for Nature Conservation, and the Government of the Nouvelle Calédonie.

Exhibition booths

Virtual booths are a new experience for most of us, and this offers a great opportunity for all, both exhibitors and participants, to learn and experience the opportunities of the rapidly evolving world of virtual events. The Conference utilises one of the top-ranked virtual event platforms.

This helps facilitate an event with much more interaction, networking and participant engagement, than a simple webinar. The Exhibition booths are a key feature of this. We currently have 20+ exhibition booths setting up to showcase their conservation successes and programmes or initiatives. Drop by, say hi, and you can even leave a business card, have a chat or schedule a meeting!! Just like in the real world!

Youth for Biodiversity

Are you 29 years old or younger, and want to voice what you think is important for Pacific Nature Conservation?

Here are five ways you can get involved in the 10th Pacific Nature Conference:

1. Share your voice in a creative way on the [Youth Biodiversity](#)

[gallery](#)

2. Apply to be a [Pacific Islands Biodiversity Youth Ambassador](#)
3. Share your stories in the Galleries through a [Lightning Story](#) or a [Striking Fact](#) (for 18 years and older only)
4. Visit the [Pacific Youth Booth](#) and engage with the key national, regional and global agencies and networks who are keen to enhance Pacific Youth's engagement in biodiversity decision making.
5. Be sure to check out the session tackling the question of how to Enhance Pacific Youth engagement in biodiversity decision-making at the national, regional and global level. The session is on Tuesday 24th November.....lock it into your personalised schedule on the Platform.

Conference Supporters

The 10th Pacific Islands Nature Conference would not be possible without the support of many regional and global partners.
